## THOUGHT FOR THE MONTH

This month we hear from Jean Young on caring for the precious natural world around us.

The last week or two of February saw the first snowdrops, yellow crocuses and the green tops of daffodil leaves pushing through the grass.

Now we are in March and see further signs of nature waking up from its winter sleep. Soon, we shall see hosts of golden daffodils beneath the trees, fluttering and dancing in the breeze. Oh Mr Wordsworth, your poem describes the early days of Spring so beautifully!

We are filled with anticipation and longing to see the rebirth of hedges and trees as they gradually turn green again. How reassuring it is to see God's work in action. Thank you, Lord, for your wonderful gift of planet earth for us to live on, with its endless variety of wildlife, plants, rivers, and seas.

I sit down to read my newspaper and what is the top story? Water companies pumping untreated sewage into our rivers. Particularly the river Colne. A significant tributary of the river Thames, it feeds the Colne Valley Regional Park, home to Heron, Reed Warblers, Kingfishers, Water Voles, and rare insects.

Why has this happened? Because while the water companies' profits have risen the sewage treatment plants have been starved of investment and are unable to cope. Sadly, the companies are being allowed to get away with it.

Creator God, you gave us this beautiful and fragile world filled with colour and variety. Forgive us for disturbing the balance of nature. We pray that Government Ministers, Defra and Ofwat address this scandal quickly. Teach us all that the environment starts at our own front doors.

Loving Father, forgive us our neglect and equip us to care for our own immediate open spaces, gardens, and parks so that future generations can enjoy your wonderful gifts too.

## Eco Tip

God's Gift -- Our World

The Environment -- Our Responsibility

Did you make a new year resolution? If not, why not make the following one?

"This year I will make at least one trip a month by train or bus instead of by car."

If you've already made one resolution, you could add this.

Don't forget, you can help London Street care for our earth by recycling the following items in the provided containers:

Empty Printer Cartridges, Aluminium Containers and Foil, Batteries, Plastic Milk Bottle Tops, and Empty Medicine Blister Packets.

**Julian House** is a charity that supports vulnerable and at-risk people across the Southwest, including our homeless outreach services in Basingstoke.

On 24th March 2023, it's the return of the Big Basingstoke Sleep Out, with individuals, families, students, businesses, and community groups all sleeping out for one night only, in May's Bounty cricket ground, raising vital funds for some of the most vulnerable people in society. If you are interested in taking part, please contact the Church Secretary for further details.

Don't fancy sleeping out? If you want to support the charity but don't fancy sleeping out, then we will be having a retiring collection the weekend of the Sleep Out.

## FOCUS: Next Issue

## COMMUNITY COOKBOOK

Our first recipe comes from Jean Young.

### FILLED PASTA SOUP

Serves: 2 (but easily doubled)

286 calories (fat: 9g) per serving.

#### INGREDIENTS:

1 dessertspoon olive oil.

1 chopped carrot.

1 small, chopped onion.

500ml/generous  $\frac{3}{4}$  pint of made up vegetable stock.

Half of a 400g can of peeled tomatoes with garlic.

100g/4oz frozen mixed peas and beans.

Half of a 250g pack of filled pasta e.g. tortellini.

A few chopped basil leaves (optional).

Finely grated cheddar/parmesan to sprinkle the top.

Crusty bread to serve.

#### TIPS:

Buy 250g packs of filled pasta (e.g. meat or cheese) and split into single portions and freeze in small bags. Be on the lookout for 2 for 1 special offers.

Substitute plain pasta, such as macaroni or penne, if preferred.

Using cheddar cheese instead of parmesan is cheaper, but use the fine side of your grater.

Use packs of frozen chopped onions, carrots and other veg.

Adapt ingredients to your choice!

## **METHOD:**

- 1. Heat the oil in a saucepan and fry the carrots and onion for 5 minutes to soften.**
- 2. Add stock and tomatoes, simmer for 5 minutes.**
- 3. Add peas and beans and simmer for further 5 minutes.**
- 4. When vegetables are tender, stir in pasta, return to the boil and simmer for 2/3 minutes according to packet directions.**
- 5. Stir in basil, season, and serve in bowls topped with cheese.**
